UWA offers four different ITE courses:

- Graduate Diploma in Education
- Master of Teaching (Early Childhood)
- Master of Teaching (Primary)
- Master of Teaching (Secondary)

Teaching is a rewarding profession. It allows you to be an integral part of your community while sharing your expertise in subjects you care most about.

The Master of Teaching (Early Childhood) and Master of Teaching (Primary) are currently also available on the UWA Albany campus. Albany students must complete their course by the end of 2016.

Admission requirements for ITE Courses:

- a relevant three-year bachelor’s degree from a recognised university
- and, in the case of international students, an IELTS score of 7.5 with no band lower than 7.0 and a score of no less than 8.0 in speaking and listening

The one-year Graduate Diploma in Education will be available at UWA through 2017, from which time only the two-year Master of Teaching courses will be available. This is part of an Australia-wide effort to enhance graduate teaching standards. Applicants are encouraged to consider the Master of Teaching (Secondary) in lieu of the Grad Dip.

For more information on our postgraduate degrees visit: www.education.uwa.edu.au

Benefits of a UWA teaching degree:

- UWA MTeach students work in collaboration with lecturers, tutors and peers
- UWA MTeach students complete 75 days on practicum placement, well above the minimum 60 required for teacher registration
- UWA MTeach students conduct original research projects, and graduate with the critical literacy to incorporate up-to-date pedagogical research into their teaching practice
- UWA MTeach students create an eportfolio which illustrates their accomplishment of the Graduate Level Australian Professional Standards for Teachers
- UWA MTeach graduates are responsive to the individual learning needs of students from diverse backgrounds
