Analyse complex accounting information to facilitate the making of sound economic decisions.

Postgraduate Accounting studies will provide you with training in the technical aspects of the preparation of accounting data; develop your skills in the application of accounting information to solving problems and making decisions; and develop your knowledge and skills in related professional disciplines such as finance, taxation, auditing and management.

Accounting courses
Postgraduate courses offered by the UWA Business School include:
- Master of Professional Accounting
- Master of Commerce - Accounting specialisation

Master of Professional Accounting
The Master of Professional Accounting is a specialist degree, designed to equip you with an in-depth knowledge of accounting. This degree is ideal for non-accounting graduates wishing to change career direction, and is accredited by CPA Australia, the Institute of Chartered Accountants in Australia, and the Institute of Public Accountants.

The Master of Professional Accounting consists of 16 units, comprising four conversion units and 12 core units.

Conversion units*  
- Applied Professional Business Communications  
- Data Analysis and Decision Making  
- Economics for Business: Policy and Applications  
- Introductory Financial Accounting

*Students with an undergraduate degree in a related area may receive credit for up to four conversion units.

Core units  
- Accounting for Planning and Control  
- Advanced Corporate Financial Accounting  
- Commercial and Company Law  
- Contemporary Issues in Accounting  
- Ethics and Sustainability Management  
- Financial Accounting: Theory and Practice  
- Financial Statement Analysis and Business Valuation  
- Intermediate Corporate Financial Accounting  
- Introduction to Finance  
- Management Accounting: Issues and Perspectives  
- Principles of Auditing  
- Principles of Taxation

Master of Commerce
The Master of Commerce is a generalist degree, and gives you the opportunity to combine broad studies in commerce with one or more specialisations. This degree is ideal for those wishing to work in high-level business or management roles which require some knowledge of accounting.

The Master of Commerce consists of 16 units, comprising four conversion units, two core units, one specialisation (four units) and additional option units (which may be used to complete a second specialisation).

Conversion units  
- Economics for Business: Policy and Applications  
- Introductory Financial Accounting  
- Management and Organisations  
- Marketing Management

*Students who have completed undergraduate studies in commerce may be eligible to receive credit for up to four conversion units.

Core units  
- Ethics and Sustainability Management  
- Introduction to Global Business
How to apply

This publication should be treated as a general guide only. For further information, contact the UWA Business School.

Accounting specialisation
Choose four units from:
- Accounting for Planning and Control
- Advanced Corporate Financial Accounting
- Financial Accounting: Theory and Practice
- Intermediate Corporate Financial Accounting
- Principles of Auditing
- Principles of Taxation

Option units
Students choose the required number of option units to complete their degree from within any of the Master of Commerce specialisations.

Delivery
Both the Master of Professional Accounting and Master of Commerce can be completed in two years of full-time study, or the equivalent in part-time study. Students with an undergraduate degree in a related area of study may be eligible to receive credit and may be able to complete the course in 1.5 years of full-time study, or the equivalent in part-time study.

All postgraduate Accounting courses are delivered on UWA’s Crawley campus, and have intake periods in February and July.

Admission requirements
To be eligible for admission into the Master of Professional Accounting or Master of Commerce, you must meet the following requirements:
- Have a recognised bachelor’s degree with an average mark in the credit range, as determined by the UWA Business School;
- Be able to demonstrate an acceptable level of academic English language competence.

Please note: Students who have completed a degree with an accounting major may not be eligible for entry to the Master of Professional Accounting. For further information, contact the Student Centre at the UWA Business School.
